Sir, I have the honour to inform you that the Government Kannada School in Nazarbad, Mysore is located in a temple building which is unsuitable for school purposes. Many efforts were made to secure a suitable site and erect a Government building upon it for the school but without success, as there are no suitable vacant sites to be obtained. Under these circumstances it was resolved to purchase a small bungalow opposite the Police Station of Nazarbad belonging to an advocate for Rs 1,115 (Rupees one thousand one hundred and fifteen) after obtaining an estimate of its value from a D.P.W. officer, who valued it at a sum higher figure than Rs 1,115 I therefore beg to

herewith was passed by the Comptroller. The bill was not however cashed as it was discovered that the bungalow was tenanted by an Eurasian who absolutely refused to vacate it under any circumstances. To avoid the trouble of going to law in order to compel him to vacate, the purchase of the bungalow was deferred until he should vacate of his own accord. He has now vacated the bungalow, and as it is still for sale I should be glad if Government would sanction the purchase, the amount required being payable from the Rs 1,561 which was sanctioned for the building of the Kannada Girls' School at Kolar by Order No 10422-3 Ed 331 dated the 11th March 1896, but which has not been utilised. As the close of the official year is near I request that Government may be pleased to accord the sanction as early as possible, and at the same time inform the Comptroller that the enclosed audited bill is cancelled.

I have the honour to be,
